**IMPORTANT NOTICE:** Applicant must attach one (1) site plan and two (2) sets of building plans for all applications requiring a plan review. All contractors must provide a copy of their current state license or obtain a current city license. A minimum of a 24-hour notice is required on all inspections. There is a ten working day turnaround for all permits requiring a plan review. This permit becomes null and void if work or construction is suspended or abandoned for a period of 120 days at any time after work has commenced. By signing this application, you hereby certify that you have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulating construction or the performance of construction. Applicant takes full responsibility for all work performed. Applicant is responsible for all plan check fees if permit is cancelled or withdrawn.
